Dear Photographers,

I have the honor to welcome you from the catalogue for an international Exhibition of Art Photography - 3rd SALAMIS PHOTO AWARDS 2023 organized by Nicosia Photographic Society (NPS) Cyprus.

The competition takes its name from the historical ruins of Salamis, the ancient city in Cyprus. Just north of Famagusta at the base of the Karpaz Peninsula lies the remains of the city of Salamis. The capital of Cyprus as far back as 1100 BC, Salamis survived the successive occupations of the Assyrians, Egyptians, Persians, and Romans but eventually succumbed to the forces of nature.

Nicosia Photographic Society (NPS), Cyprus is very happy to organize the salon 3rd SALAMIS PHOTO AWARDS 2023, The entry of this salon was open to photographers all over the world. It was organized under the approved rules of PSA, IAAP, GPU, ISF and the Nicosia Photographic Society NPS.

The catalogue of award-winning photographs in six categories is a good memory of our salon for all photographers which was held in Cyprus in 2023.

On behalf of Nicosia Photographic Society NPS, I would like to express our gratitude to all participants, to our judges and we look forward to seeing your wonderful images in our future salons.

Thank you for your support.

Good Light!

PSA 2023-235

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Goirle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
